CHOSEN BY

“

Exceptional entertainers who went beyond the call of duty to make all our guests feel included and get them up dancing and singing along.

Great **energy**, extremely **polite**, and **experts** in their field at doing what they do. They even stepped in to perform a special song at our ceremony learning the lyrics and putting their own special spin on it!

Couldn't be happier with our choice of a roaming band.

Thanks guys! Skall!

About our performance

The name Odd Sox International comes from... well, our love for mismatched socks! It's a playful reminder that music, like life, should be fun and full of surprises.

The concept of a strolling band

A strolling band is a group of **musicians who move freely among the audience** during their performance, creating an intimate and interactive musical experience. Unbound by cables and stages, we bring the music directly to you. We create an immersive and unique experience, unlike any other!

Flexible duration

Each of our shows consists of **2 or 3 sets, each lasting 30 to 35 minutes**. This series of mini-concerts, with the musicians moving, interacting, and serenading, makes it a fun experience for all of the guests! The length of sets can be personalized.

Tailored repertoire

We're all about setting the **right mood for your event**. We play a mix of music from around the world, **not limiting ourselves to one genre or time period**. We also sing in **many languages**, so everyone can find something fun and to connect with.

Limitless locations

We've taken our music to nearly **every corner of the globe**, in the air and on waters - a testament to our adaptability as a band! We're always prepared to hit the road, passports in hand, ready to bring the energy to any stage, no matter how big or small, or where it may be.

Elegance and professionalism

Always on time, impeccably dressed, we add a spark to your event, while maintaining the utmost **confidentiality**.

*WOW WOW WOW WOW WOW!
Guaranteed the first thing that anyone says to us when chatting about our wedding day is... "how good were your band?" We booked The Odd Sox for our wedding and they were unbelievable, the dance floor was full the entire night and the music was perfect for what the guests wanted.*
